

Take a Journey with God

See your life with a different perspective!

..... a ten lesson course

*“There is no course of which I know that will **inform, inspire,** and **motivate** Christians for world evangelisation like **PERSPECTIVES...** It will stretch your mind, warm your heart and stir your will.”*

—Billy Graham

PERSPECTIVES is an opportunity to learn about God’s intentions and actions in the world. You will see God bigger and more majestic than ever before. The Bible will become more purposeful and intent than ever before.

Discover the certainty that God will fulfill His purposes. Embrace His invitation to join Him in His mission. See how He is enlisting His followers to lead lives of huge significance. This is the vision that makes the PERSPECTIVES course valuable, and perhaps crucial, for any Christian.
